# Long Term Care

## Courses

## Credit Hours

HIPPA Confidentiality	2
iminent Death/Signs and Symptoms	4
Infection Control - Blood Borne Pathogens	4
Customer Service for Healthcare Employees	4
Chemical Safety	4
Bill of Rights for Healthcare Recipients	4
Latex Allergies: An Overview	4
Corporate Compliance	4
Sprains and Strains	4
Team Concept for Health Care Employees	4
Standard Precautions I	4
Standard Precautions II	4
Standard Precautions III	4
TB Precautions	4
Pain: The Basics	4
Understanding Advanced Directives	4
Radiation/MRI Safety	4
Use of Restraints	4
Age Specific Growth and Development: Birth through School Age	6
Age Specific Growth and Development: Adolescence through Old Adult	6
Abuse and Neglect: The Healthcare Employee's Role	4
Medication Errors: Prevention is the Key	4
Pain Management: Advanced	2
Cultural Diversity	2
Patient Safety	2
Basic Feeding: Serving and Assisting with Meals	4
Advanced Feeding:Adaptive Eating Equipment-Supplemental Nutrition-Enteral Feedings	4
Alzheimer 1: Overview	2
Alzheimer 2: Communication	3
Alzheimer 3: ADLs	3
Alzheimer 4: Behavior	3
Alzheimer 5: Caregiver Experience	3
Alzheimer 6: Activities	2
Flu Prevention	
Urinary Tract Infections	2
Fall Prevention	2
Restraints in Long-Term Care	3
Preventing Pressure Ulcers	2
Basic Communication	2
End of Life Care Management	2

# Healthcare

## Courses

## Credit Hours

Back Injury Prevention	1
Child Abuse	1
Corporate Compliance	1
Customer Service	1
Fire Safety	1
Infection Prevention	1
Patient Rights and Confidentiality	1
Preventing AIDS and Hepatitis B in the Workplace	1
Radiation Safety	1
Vulnerable Adult Care	1
Working Safely with Hazardous Materials	1
Workplace Violence in the Healthcare Industry	1

# Nursing

## Courses

## Credit Hours

Abdominal Assessment (APA)	3.9
Abdominal Assessment - QL	1
Abnormal Neurological Findings - QL	1
Adult Ventilation Management	7.9
Advanced Neurological Assessment (AAPA)	4.2
Airway Assessment and Level of Consciousness - QL	1
Basic Radiation Safety in Nuclear Medicine Online	2.5
Basics of Hemodynamic Monitoring (AAPA)	4.1
Block Party & Other Cardiac Arrhythmias	14.1
Block Party & Other Cardiac Arrhythmias Fast Track (BPCA)	4.1
Blood Gas Interpretation	1
Blood Gas Interpretation (AAPA)	6.4
Blood Gas Interpretation Fast Track	3
Bloodborne Pathogens	2
Breast Sonography, A Sound Approach Online	1
Bringing Back the Passion Online	1
Building Patient Rapport (APA)	2.7
Cardiac Assessment Fast Track (ACA)	4.1
Cardiac Heart Sounds and the Valves (ACA)	1.6
Cardiac Interventions and Tests (ACA)	1.9
Cardiac Risk Factors - QL	1
Cardiovascular Assessment (APA)	4.1

Courses

Credit Hours

Chain of Infection	1.4
Chemical Dependency in Health Care Online	3
Chest Pain Assessment - QL	1
Communication in the Healthcare Climate Online	2
Complaint Resolution Online	1
Customer Service Online	1
Diabetes Mellitus Online	5
Ethics for Allied Health Care Professionals Online	1
Extremity Assessment (APA)	2.7
Extremity Assessment - QL	1
Film Processing and Quality Assurance Online	1
Fire Safety - RACE & PASS	0.8
Fire Safety Online	1
Fluid Balance and Hydration Status - QL	1
Fundamentals of PET-CT Online	1
Fundamentals of Radiation Safety Online	1
General Engineering Online	1
General Fire Safety	2
General Survey and Vital Signs - QL	1
Ground Transport Nursing (Transport)	8.5
Hazardous Communications	1
HIV/AIDS & Public Health Issues Online	2
HIV/AIDS Epidemic Online	4
HIV/AIDS Review Online	1
Infection Control for Healthcare Professionals	2.7
Infection Control for Hospital Workers	1.7
Infection Prevention Online	1
Latex Allergy : Are You Risking Your Life for Your Job	2.4
Low Energy Photons Online	1
Maternity-HELLP Syndrome	1
Medical Errors Online	2
Medical Surgical Abdominal Assessment (AAPA)	4.8
MI Symptom Management (ACA)	2.7
Miscellaneous Charges	0
MRI image quality and imaging parameters Online	1
MRI Patient Care and Safety Online	1
Myocardial Ischemia and Injury (ACA)	2.7
Neonatal - Fistulas & Atresias (NGA)	1.2
Neonatal Abdominal Wall Defects (NGA)	3
Neonatal Apnea	2
Neonatal Bronchopulmonary Dysplasia (NRA)	2.4
Neonatal Congenital Diaphragmatic Hernia	4

## Courses

## Credit Hours

Neonatal Gastrointestinal Assessment	13
Neonatal Gastrointestinal Assessment Fast Track (NGA)	4.3
Neonatal Gastrointestinal System Basic A & P (NGA)	3
Neonatal Malrotation & Volvulus (NGA)	2.5
Neonatal Respiratory Assessment	12
Neonatal Respiratory Assessment Fast Track (NRA)	4.3
Neonatal Respiratory System Basic A & P (NRA)	3.6
Neurological Assessment (APA)	4.3
Newborn Blood Gas Interpretation	1
Newborn Gas Exchange	1
Newborn Respiratory Assessment - Overview	1
Newborn- APGAR Scoring	1
Nursing and Nutrition: Providing Survival Skills	4.1
Nutritionally Managing Menopause and Osteoporosis Online	2
Optimizing the Radiographic Beam Online	1
Other Common Causes of Chest Pain (ACA)	2.5
Overview of 4 Main Heart Functions (UCM)	2
Pain Assessment and History Taking-QL	1
Pain Management	6
Pain Management - QL	1
Patient Identification	1.5
Patient Interview Techniques - QL	1
Patient Rights and Confidentiality Online	1
Pediatric Blood Gas Interpretation	1
Pediatric Cardiogenic Shock (PS)	3.7
Pediatric Clinical Stages of Shock (PS)	4
Pediatric Distributive Shock (PS)	4
Pediatric Gas Exchange	1
Pediatric Gastroesophageal Reflux	1
Pediatric Hypovolemic Shock (PS)	4
Pediatric Imaging of the Upper Gastrointestinal Tract Online	0.5
Pediatric Obstructive Shock (PS)	3.6
Pediatric Otolaryngology and Radiography Online	0.5
Pediatric Routine Growth Measurement	1
Pediatric Shock	11
Pediatric Vital Signs	1
PET Physics Online	1
Preventing AIDS and Hepatitis B in the Workplace Online	1
Preventing Decubitus Ulcers	2
Preventing Medication Errors	2
Preventing Needlestick Injury	2
Preventing Workplace Violence	2.4

Courses

Credit Hours

Preventing Workplace Violence	2.4
Principles of Handwashing	1
Principles of Risk Management Online	1
Properties of Film Screen Interaction Online	1
Pupil Assessment - QL	1
Radiation Safety Online	1
Rapid Cardiopulmonary Assessment - QL	1
Respiratory Assessment (APA)	3
Respiratory Assessment - QL	1
Risks of Anesthesia	3.6
Sending and Receiving Radioactive Material Shipments Online	2.5
Standard Precautions	1.4
Support for the Shift Worker	1
Technique Formulation Online	1
The Basics of Exercise Physiology: Improving Wellness through the Benefits of Exercise	5.7
The Best Defense is a Good Documentation Offense	3.8
The Chest Pain Interview (ACA)	2.6
The Photon's Journey Online	1
Twelve Lead ECG Online	1
Understanding ACE Inhibitors (UCM)	2.6
Understanding Acidosis & Alkalosis	1
Understanding Antiarrhythmics (UCM)	2.6
Understanding Blood Pressure and Orthostatic Blood Pressure - QL	1
Understanding Bowel Sounds - QL	1
Understanding Cardiac Medications Fast Track (UCM)	8.5
Understanding Diuretics (UCM)	2
Understanding Electrolytes (APA)	2.2
Understanding Electromagnetism Vectors Online	1
Understanding IV Fluids (APA)	3.1
Understanding Mechanical Ventilation (AAPA)	4.4
Understanding Newborn Cardiac Output	1
Understanding Nitroglycerin (UCM)	2
Understanding Pediatric Cardiac Output	1
Understanding Radiation Therapy Online	2.5
Understanding Shock	4.3
Understanding the Radiographic Image Online	1
Understanding Thrombolytics and Anticoagulants (UCM)	3.1
Volume Assessment (APA)	2
WHMIS for healthcare providers	2
Why Nurses and Case Managers Need to Know Customer Service	6.8
Workplace Substance Abuse	2
Workplace Violence in the Healthcare Industry Online	1
