Note: The information should be current. Because the provision of reasonable accommodations is based on assessment of the current impact of the applicant's disability on the testing activity, it is in the individual's best interest to provide most current information. As the manifestations of a disability may vary over time and in different settings, in most cases an evaluation should have been conducted within the past three years. Certain conditions such as some physical and psychiatric conditions are subject to change and should be updated for current functioning.
