

## RESPONSIBLE CANNABIS VENDOR TRAINING

**Date of Updates: 31-Oct-2023**

### PROGRAM PURPOSE:

The Program purpose remains the same. However, the word marijuana has been replaced with the word **cannabis** in the program purpose.

### COURSE LEARNING OBJECTIVES:

- The following two (2) learning objectives were added following extensive updates to the training course:
  - **Explain the difference between different cannabis species/cultivar and cultivation methods.**
  - **Understand best practices for cannabis handlers, including customer service, cash handling, and patient/consumer privacy.**
- The following words have also added to the learning objectives after updates to the course: **"and methods to mitigate risk", "onset times", "different types of cannabis edibles"**.
- Grammatical updates have been made in the learning objectives. The following words have been added/replaced: **"their", "and", "of"**.

### CERTIFICATE REQUISITES:

The certificate requisite was updated as follows:

- The passing score has been updated from the previous 77% to the new **80%**.
- The number of exam questions have been revised. The exam now contains a total of 45 questions. Of these, 40 are graded whereas 05 are un-graded.

**Note: In *Bold* are the changes made in the learning objectives as part of the Learner Need Analysis conducted in 2023.**
